COMMONWEALTH OF VIRGINIA

STATE CORPORATION COMMISSION

AT RICHMOND, FEBRUARY 7, 2001

APPLICATION OF

EDGE CONNECTIONS OF VIRGINIA, LLC

CASE NO. PUC000154

For certificates of public
convenience and necessity to
provide local exchange and
interexchange telecommunications
services

ORDER GRANTING MOTION

On February 7, 2001, Edge Connections of Virginia, LLC ("Edge" or the "Company") filed a motion in the above-referenced matter to extend the publication date of the notice directed to be published by our Order dated January 26, 2001. Our Order required Edge to publish notice of its application on one occasion as classified advertising in newspapers having general circulation throughout Edge's proposed service territory on or before February 7, 2001.

Based on time constraints between the issuance of our Order and the date for publication, the Company's motion requests the deadline for publication be extended by one day to February 8, 2001. The Company has been able to arrange publication in its proposed service territory on such date.

Having considered this motion, the Commission is of the opinion and finds that the Company's motion should be granted.

Accordingly, IT IS ORDERED THAT:

(1) The deadline for Edge to publish notice of its application for certificates to provide local exchange and interexchange telecommunications services is extended from February 7, 2001, to February 8, 2001.

(2) All other provisions of our November 9, 2001, Order for Notice and Hearing, and our January 26, 2001, Order Granting Motion and Rescheduling Hearing shall remain in effect.

(3) This matter is continued for further orders of the Commission.
